### BRYSTON BHA-1 HEADPHONE AMPLIFIER

Hi James,

Been playing some music selections for hours on the BHA-1 Headphone amp.

I must confess the HD800 headphones and the Bryston BHA-1 headphone amp have been my most disturbing experience up to now.

This is by far the most gripping, revelatory and intimate musical experience I've had so far. Words cannot express my feelings right now. Schubert never released this kind of detaching emotion.

**You've wet my eyes seriously. Lonely island priority number 1.**

Thank you so much.
