MEMO: To All Bryston Customers

SUBJECT: Bryston Speakers - HAT TRICK

DEALER FEEDBACK:

"Hi James,

I just received my Middle T's.

I am extremely impressed with their performance!

They have huge bass and power handling- to go along with excellent clarity without being bright.

**I think you've completed
the HAT TRICK now with
Model T, Mini T and
Middle T.**

There are literally hundreds of speakers to choose from "out there." Which should we specialist dealers offer? How many lines provide the specialist dealer what we need to do well? We need great sound at competitive prices, strong reliability, with distribution and customer support.

Congrats and THANKS - for doing such a fine job with your speaker family!"
