DEALER COMMENT – Smiths Custom Audio

Hi James

My god after teasing myself with the mini t and then having the crap kicked out of me by its BIG BROTHER Model T aka the 'BIG T'...

I have finally given the Middle T a good listen and what a GREAT SPEAKER!

Can't say anything but WOW what a great speaker line up and the VALUE of all these speakers is absolutely superb...

Thanks James, and the whole Bryston Team you have made dreams come true once again.

P.S. - Take one pair of Model T's and some Bryston Power one Music Player and turn up Michael Jackson's "DIRTY DIANA" it has never sounded like this.... my pants were shaking AMAZING!
