SUBJECT: Customer Feedback - Bryston Model T Speakers

Music Provides Joy

Hi James

I just heard your Model T speakers at the Bryston dealer local to me - Audio Emporium near Milwaukee, WI.

They sounded really dynamic and did a great job recreating a big symphonic piece the dealer had queued-up.

Very "fast" speakers with a full low end.

I suspect these will only continue to grow in popularity as more people hear their sound.

Fantastic value!

Congrats and cheers.

Karl
