**More TAVIS SHOW Feedback:** 

**Re: TAVES 2013 (TORONTO AUDIO VIDEO ENTERTAINMENT SHOW)** 

Managed to stop in today at the Bryston room and had the pleasure of meeting James.

I was also very impressed with the Model T speaker's performance and detail - great product and they are definitely going to be "giant killers."

Be well...

BRYSTON - One of the best rooms at the show.

Away from all the snake oil.
