**SUBJECT: Bryston Middle T's – Dealer Feedback**

May 2015

Hi James.

This is Kevin from Glubes AVU.

Just a quick note to say how impressed I am with the Middle T and the A3. Planning on expanding our line up.

I must admit that I never gave them a fair listen, amongst the sea of great products from Monitor Audio, PSB, and B&W....

I must say that the Bryston products represent incredible value.

Keep up the great work?
