MEMO: To All Bryston Customers
SUBJECT: Model A Speaker – Customer Feedback

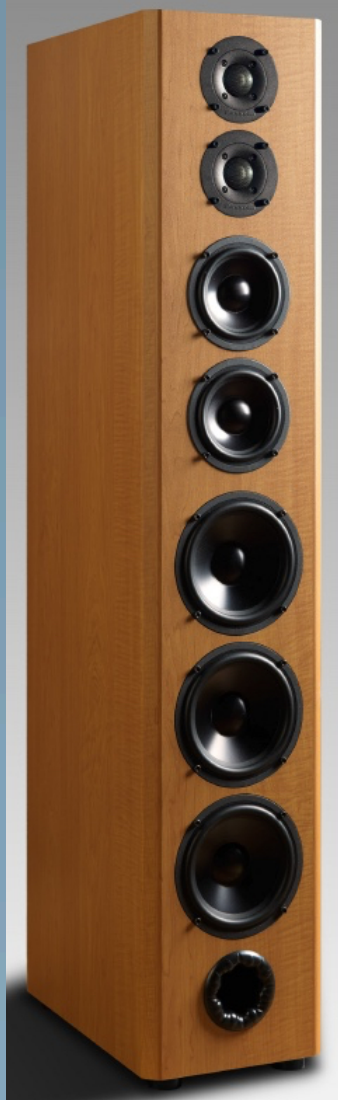

July 2015

Hello Bryston!

Ken Veitch here.

A few pictures of my new Bryston Model A1' speakers and also a couple of pictures [EDIT – not included] to show the terrible room dynamics they must overcome.

BTW, the flat screen is being raised on Wednesday so it will just clear the height of the Model A1's.

The product is JEWELRY! FLAWLESS! BRAVO guys!!!

Sound quality is wonderful and warm, fat, and super clean.

Best I've ever had in MY home.

My idea: "Buy Brystons for your Brystons!" It's simple and it just works so well! I have a quite a few of them... LOL.

I'm going home via my air conditioned car to my wonderfully cool flat to listen to my Bryston system and let it wrap me in the warmth and love that ALL Bryston products are created for IMHO....

Sincerely:
Kenneth B. Veitch
