MEMO: To All Briston Customers SUBJECT: Briston Mini A Speaker At Munich

July 2015

Hi Folks,

Please see below some more excellent feedback from a major German audio magazine regarding our demonstration at the recent Munich Audio Show in Germany.

To compete at this level and calibre of show and receive the accolades we have with a speaker that is many thousands of dollars less than the competition is extraordinary!

“One of the most visually inconspicuous, yet one of the best sounding demonstrations at the Munich Show was in the AVITech room exhibiting a complete Briston audio system.

A solid Briston stereo system played on their new three-way compact speakers the Briston ‘Mini T’ speakers”

More sound from a speaker of this size is impossible.”
