SUBJECT: Bryston 7B Cubed – Customer Feedback

April 2016

Just got 7B3 landed to my room.

WOW very impressive.

Let me borrow wording from Larevoj's review;

“A perceivable lower noise floor; quiet and clear contrast.

Superb imaging and clarity with distinctive separation of instruments”.

I do totally agree with these statements.

Surprisingly I didn't expect this degree of changes from my previous 7BSST2.

Well done Bryston!!
