SUBJECT: Bryston Distributor Feedback – Mini Show

April 24th 2016

Hi James,

Had a small mini show at our facilities.

The result was excellent, the Bryston 4B Cube amplifier and the BDA3 DAC were real standouts...

Speakers used were your Bryston A2's and then the PMC Fact 12 and both speakers were singing. Will send the reports when they are out.

James the Cube is fantastic.

it's a big jump in subjective sound over the square and it goes a lot louder before clipping...
