A Lifetime of Music

**MEMO: To All Bryston Customers**

**SUBJECT: New Cubed Amplifiers – Thoughts!**

Hi James,

Having a right run on the new Cubed 7B's, sold 4 this week :-)

For me the noise floor just seems lower so you get a more dynamic sound if that makes sense, everything seems to erupt from an inkier black background but still very neutral and honest with just enough warmth to give a very lifelike presentation.

For me you guys still make the best amps in the world :-)

Regards,  
Paul Clark
