SUBJECT: Bryston 7B Cubed – Dealer Feedback

June 2016

Hi Bryston,

I have to say after installing the new 7B Cubed Mono amplifiers yesterday I can't stop thinking how good the whole system sounded. David has done an awesome job on his room.

This is pretty much the best system I have ever heard. 😊

The trouble is it has ruined me. I have to find a way to get this system for my home 🙄
