

BRYSTON

A Lifetime of Music

MEMO: To All Bryston Customers

SUBJECT: TAVES – Audio Eden Demo

Mike Hamelin from Audio Eden had carefully assessed his room and matched for maximum music capability.

His Kharma Elegance S7s mated to Nagra pre and power amplification and,

Bryston Turntable and Dynavector cartridge analog source and Bryston/Nagra digital front end were absolutely stunning.

Mr. Hamelin is a master setup man and he did himself proud here. Unforced and powerful music danced in this room with abandon.
