

BRYSTON

A Lifetime of Music

MEMO: To All Bryston Customers SUBJECT: Dealer Feedback Mini T Speaker

November 2016

Dear Mr. Tanner

I don't recall that we have ever met, but I've been in the audio business since 2000.

I sold Bryston from 2000-2003 when I worked at Audio/Video Showcase in Ann Arbor, Michigan.

Now I am at Paragon Sight & Sound.

I was fortunate to purchase a pair of

Bryston Mini T loudspeakers

from EMI systems - who was your Michigan representative. The Minis are the ideal speakers to sit at each end of my BDI low-boy stand, so I jumped at the opportunity to grab them!

I cannot believe how full-range these speakers sound for the relatively small cabinet volume.

Very impressive engineering!

Thank you so much,

Ryan Hansen,
Sales, System Design.
