

BRYSTON

A Lifetime of Music

MEMO: To All Bryston Customers

SUBJECT: Bryston Demo TAVES 2016 – 6 Moons

Bryston once again had a large suite kicking out the jams with their big Model T flagships.

Mr. Tanner was available for questions but was also content to sit back and watch the audience enjoy the sheer intensity and control of his top design.

At about \$8'000/pair, it reflects the high value and realistic pricing model that Bryston have consistently adopted.

There's no boutique mystique here, only solid upper High-End performance.

The whole gamut of tempting company catalog was on display and well worth looking into.
