**SUBJECT: Bryston BRYFI BW-1 – Dealer Feedback**

**September 2017**

**Hi James,**

**How are you, sorry I have been very quiet lately.**

**I love your Bryston 'BRYFI' wireless speaker system!**

**I have some demo's scheduled very soon on the BryFi with my clients as they are all coming back from summer vacations. My wife Sue loves our own BRYFI, I can't even attempt to sell my demo as she has the best ears for audio given both my daughters are in college!!**

**I have attached a picture of the BRYFI in my family room.**

**It actually fills the empty nest!**

**Thanks for a great product!**

**Ram**
