A Lifetime of Music

MEMO: To All Bryston Customers
SUBJECT: Audio Concepts – Dealer Feedback

December 2017

James, customer FINALLY hooked up 28B-Cube to his Bryston Model-T speakers.

He is getting rid of his McIntosh gear on his other systems.

I just had the most positive conversation I've had in a while. He is waiting for me to get him a final price on a Bryston full active system.

Thanks for letting me sell those amazing heavy black objects you designed to a very happy man.
