A Lifetime of Music

MEMO: To All Bryston Customers

SUBJECT: Bryston 4B Cubed with B&W – Customer Feedback

January 2018

Hello James

I would like to inform you that after my visit to Audioconcept in Stockholm (absolutely top notch service from Robert and Fredrik) I listened to this amp.

I decided to try it out at home and they offered to visit me and it took about 10 seconds to be sure.

I pushed the button and I can assure you that this is a match made in heaven. :)

The music is now finally perfectly in place together with my other gear and the Bryston 4B3 was the last bit to finalize this road to “perfection”. At least for a while ;)

Thanks again for your support and for making the music flow through your great products!

**Best regards
J from Sweden**
