SUBJECT: Bryston 21B Amplifier – Customer Feedback

March 2018

Hello Gentlemen,

Just a quick thank you note (detailed impressions later).

I received my new Bryston 21B three channel amplifiers for my Bryston Active Model T Speakers today.

An hour out of the box, these 21B amps are ABSOLUTELY FANTASTIC!

I'm impressed by how far above the 7B SST2 mix they are from what I was already using.

Well done.

Thanks!

Marc
