SUBJECT: The 35 Greatest Bargains in High End Audio

Hi Folks,

Check out the latest issue of Absolute Sound Magazines 2014 High End Audio Buyers Guide.

The last page lists **The 35 Greatest Bargains in High End Audio** and the Bryston BDA-2 DAC is among the 35.

Reviewers Comment:

“It makes the best of every recording that you play through it. A great bargain!”

Also check out page 114 regarding the Bryston 28B SST2 Amplifier – “When you come across a component that is better in some significant ways than what you’ve heard before, the experience tends to derail criticism. The 28B is such a product – and an incredibly good buy!”
