MEMO: To All Bryston Customers

SUBJECT: Bryston Mini T Speaker - Editors Choice Award

February 2015

I am pleased to announce that the Bryston Mini T loudspeakers has received a 2015 Editors Choice Award from Absolute Sound Magazine.

The Bryston MINI T speaker was chosen in the category: "BEST AUDIO GEAR of 2015" !

Here's what they had to say:

BRYSTON MINI T:

"Bryston's foray into loudspeakers addresses the perfectly reasonable question that if ruler-flat frequency response is expected from electronics, why shouldn't the same be expected from loudspeakers? More the product of careful development than the application of wonder materials.

The Mini T proved to be the best-measuring loudspeaker RD has yet experienced-as well as a sonic standout, having the rare ability to recreate the cues that make music sound live."
