SUBJECT: Hong Kong Audio Show – Bryston Demo

August 2017

Hi Folks,

So here, after three days of Asian show glory, and in no particular order other than geographical location as I roamed, are my 10 standouts from the Hong Kong High-End Audio Visual Show 2017:

“Bryston electronics and Penn Audio’s Cenya Signature stand-mount speakers were teamed up for a **terrific sound** which was lively and detailed yet musical and sweet.”
